Directories of Hastings County information:

Other factual information:

Interviews: Mrs. George Price: The front part was bought by Mr. Fullerton sometime around 1856 (Believes it is older) At one time it was an hotel. A large cupboard cupboard built into the wall of the sitting room was thought to be part of the old bar. The from part was first (over)

capboard, then rough cast and finally clapboard again. The beams in the cellar were so large one couldn't stand upright under them and the walls of the foundation were extremely thick.
