MESSAGE FROM COUNCIL

As late autumn progresses towards winter we often are reflective of a year approaching conclusion, and attempt to tie up loose ends. This seasonal reflection is heightened by All Saints and All Souls days on the 1st and 2nd of November, as well as Remembrance Day honoured at the eleventh hour, of the eleventh day, of the eleventh month. This event focuses our attention on the sacrifices made by so many in the First, Second and Korean wars, as well as those in more recent conflicts such as the current endeavours and sacrifices in Afghanistan, as well as areas of instability elsewhere in the world.

We also need to think about more day-to-day concerns as winter approaches.

As announcements in the newsletter indicate, leaves will be collected from 16-20 November, Fixed Fur Life

needed rehabilitation after the standard 40 years of useable service. However, of the \$4.5 million project, \$1.3 million will need to be financed by the Town and water rates. Council resolution has authorised a public meeting before the end of 2009 to address long term approaches to water rates. These options could include keeping the current billing approach with a percentage increase (flat fee for up to 40 cubic metres or less every two months, with additional per cubic metre charges after this), or finding other options, such as charging a

per cubic metre rate from a

much lower threshold (i.e., basically paying for only what you use). In the latter option those who conserve or use less (such as seniors) would pay less.

Deseronto is also pursuing major work at the Community Centre, which will rehabilitate the aging structure and provide a wider range of facilities. Of the 1.5 million project, \$150,000 is to be financed by the Town or other sources. With the above waste-water facility expenditure, forms a serious draw on the Town's borrowing capacity. However, many municipalities are able to find partners, such as a private-public-

partnership, often called a P3, and sometimes other partners. In the community centre domain, the YM-YWCA has been a major source of support, as demonstrated by a recent project in Quinte West. In the interval, please see the Parks and Recreation Dept. notice of upcoming activities. Deseronto Transit is a notable part of the Town budget (although much less than many departments), but this is

compensated for in several ways with contributions from

Hastings County, the United Way of Quinte in conjunction with Community Care for South Hastings, and Prince Edward and Lennox Addington Social Services. With transit the community benefits because people without a vehicle or who can't drive are able to get to work, education or essential appointments and errands. With transit, more people have more money from working, or by saving with their core shopping to purchase more frequent day-to-day items

(associated with the Town's Animal Services By-law) tries to prevent cat and dog over-population and suffering as the weather gets colder, the past message from Council spoke of our ever diligent volunteer Fire Department, there are notices for groups that do so much in our community, such as the food bank, church fund raisers and Community Care, and Deseronto Transit which always offers dependable transportation to Napanee, Belleville, Picton, Bloomfield, and through Tyendinaga Territory.

The Town is also working on major projects facilitated by provincial, federal and Hastings County funds. The Town's waste-water system, which also services most buildings on Tyendinaga Territory east of Highway 49 and south of Dundas/Highway 2,

in town—just like others who have access to their own vehicle. Additionally, the broader tax pool has been saved hundreds of thousands of dollars, whether in reduced social service payments or bloom payments when people could not meet their core utilities and rent.

With the land claim affecting Deseronto, Council was hoping to have a public meeting regarding developments. Unfortunately, there is little progress to report, and even the long-time assistant negotiator—the lead federal employee for this claim—has taken another position.

The federal minister of Indian and Northern Affairs, the Hon. Chuck Strahl, had to be corrected when, on the subject of compensation, he wrote that the quarry site is no longer occupied. In his counter reply he stated that if the site was occupied the police should be called. However, the O.P.P. have made it very clear that they do not believe it prudent to intervene. Minister Strahl also could not foresee when he would have time to meet with municipal officials. Additionally, both the federal and provincial governments have failed to offer compensation for suspicious and costly hay fires three years in a row, because no one was ever caught. The last fire occurred on a

FRESH GROCER WELCOME ADDITION TO DOWNTOWN DESERONTO

After completing major renovations and upgrades, and first opening its doors this past summer; Fresh Grocer has become a welcome addition to Downtown Deseronto.

Take some time to explore Fresh Grocer's newly renovated store featuring competitive prices, friendly service, and freshness guarantee on your next trip to the grocery store. The new grocery store is spacious, bright and clean & features a meat/deli counter with on site butcher, fresh produce, dairy, general grocery items and movie rentals. Fresh Grocer stands behind all their products with a freshness guarantee. If you aren't completely satisfied with your purchase you can exchange it or return the product for a full refund.

Since first opening, Fresh Grocer continues to improve and adapt to better serve their customers. New products and brands have been added to their product line, improvements in store layout, and other improvements have occurred since first opening based on the feedback they receive from their customers. Not able to find the product or brand you're looking for at Fresh Grocer? Simply mention it to one of their owners or employees, and they'll start stocking the product on a regular basis.

You can't find that level of service at your national chain grocery stores!

"I am extremely pleased that Fresh Grocer has chosen to call Deseronto home, and wish them many years of success and growth. I encourage all residents to consider Fresh Grocer on their next grocery shopping trip. The customer service they provide is second to none" Mayor Norman J. Clark.

Countless other services are available at Fresh Grocer that the national chain grocery stores just can't compete with.

Think Fresh Grocers prices are higher than the national chain grocery stores? Did you know that if you buy your meat and groceries at Fresh Grocer you will spend less than you would at national chain grocery stores? Fresh Grocer's meat prices and quality cannot be matched, and with a butcher on-site, customers can get their meat cut to order, just the way they like it. And shopping locally means you're investing back in your community and supporting your local economy. When local business succeeds, everyone succeeds.

DAMAGED OR FALLING TREES ON NEIGHBOURING PROPERTIES

Recently the Town of Deseronto has received an increasing number of complaints regarding trees and branches from neighbouring properties falling or the danger of them falling on other resident's properties. Recognizing this as an issue for both property owners, Municipal staff would like to inform residents of expected actions when dealing with this concern.

First, it is important to maintain good relations with neighbours and if a tree on your property is creating a hazard to a neighbouring property, it is the property owner's responsibility that the tree sits on, to ensure a resolution to the hazard is made. In the event where a tree branch or whole tree falls on a neighbouring home, the property owner who "owns" the tree can be liable and if negligence is evident, the situation heightens. We recommend that all residents take this matter seriously to ensure the safety of all residents and to look after the trees and branches of trees within their property lines.

Secondly, if you know that a tree on your property needs to have dead portions trimmed as it is becoming a "dirty" tree, we ask that you take immediate action to alleviate any cause for concern. Having a tree trimmed can often diffuse the dangerous situation and possibly help the life of a damaged tree. This will also go a long way in reducing the amount of waste a neighbouring property may incur as a result of the deteriorating tree.

The Municipality's involvement in these disputes is to lay out the responsibility

to the property owners involved and put the land owner of the tree on record in the case of a dangerous situation. In the event where a property owner chooses to take no action, a request can be made to have the Municipality arrange for the removal of the dangerous part of the tree for the purpose of "Public Health and Safety". Once this action is taken, the municipality will begin proceedings to receive cost retributions plus administrative costs.

It is important to note that this drastic step is an undesirable approach for the Municipality. We would like to encourage all residents to work towards a peaceful resolution, but will become involved when all other approaches have been exhausted or an immediate health or safety risk is brought to our attention.

FALL LEAF CLEAN-UP

Date/Time: Nov 16th - 19th 2009 from 8:00am - 4:00pm

The Town of Deseronto Public Works Department will be picking up leaves again this year.

Leaves are to be raked to the curb (the edge of the municipal roadway) no later than the 15th of November. **Do Not Place Leaves In Boxes Or Bags. Do not include branches or tree limbs with the leaves as they will not be picked up.**

COMMUNITY CARE FOR SOUTH HASTINGS (CCSH)

CCSH provides vital services to seniors and to adults with physical disabilities of Deseronto and Tyendinaga Township, but our programs need helping hands, feet, and wheels!

Our Thrift Store needs help to sort items, keep our shop neat and assist our customers. Our Thrift Store is open Tues.-Sat. We have two working shifts each day (10:00am – 1:00pm and 1:00pm – 4:00pm). If you are interested in recycling and repurposing clothing and household items, this is the opportunity for you! Please drop off all Community Care Closet donations to the Community Care for South Hastings office at 331 Edmon St. between 9am-4pm.

We ask that you please do not drop off large items (couches, chairs, electronics, Computer parts or monitors, TV's., etc.) or large quantities of boxed items. We are a very small store carrying clothing as well as books and small knick knacks. Please keep in mind that torn, ripped, stained and frayed items will just end up in the landfill. The costs of the additional garbage disposal fees are growing and we need your help to keep it to a minimum. Thanks, as always, for your continued generosity without which our store would not operate! We are still in need of Winter drivers for our Transportation Program. We offer medical transportation opportunities for our clients, and drivers are paid a small honorarium per

drive. Please step into our office at 331 Edmon St. or give us a call at 396-6591, and we can share more information with you about any of the programs we offer or the volunteer opportunities we have.

2010 Olympic Torch Run – Red Mittens for Sale

The Revitalization Committee and Deseronto Public School Parent Council have partnered together to purchase pairs of 2010 Olympic Official Red Mittens to sell and giveaway to residents planning to participate in the Olympic Torch Relay coming through Deseronto on Dec 15th

2009. Mittens will be given away to all Deseronto Public School students and faculty, and will be available to purchase from the Town Hall for \$10/pair + tax. Let's come together on Dec 15th and make a sea of red along the Olympic Torch Relay route to show our community spirit and support for Olympic Athletes!

Community Improvement Projects

The new Town of Deseronto entrance signs are almost complete. New entrance signs have been constructed at the west end of Main St. and the east and west ends of Dundas St. The signs are one of many projects being implemented to create a more welcoming and appealing atmosphere for Deseronto. The committee hopes you enjoy the signs and other community improvements that have occurred to date. Keep watching for many other exciting projects and events this fall/winter.

Deseronto Yard & Sidewalk Sale & DACS Autumn Sonata a Success!

The Revitalization Committee would like to take this time to thank the many residents, businesses and volunteers that participated in the September 19th Yard & Sidewalk Sale. We would also like to give special thanks to the Deseronto Arts & Culture Society (DACs) and Hudson's Mill Recycling/Restoration, Gifts & Garden Centre for their organization of the DACs Autumn Sonata which featured vendors, artisans, entertainment and great food! Deseronto was very busy with visitors that day! We hope you all had a great day. We look forward to many more events like this in Deseronto.

The Revitalization Program would not be possible without the support and participation from members of the community. The revitalization committee is always looking for new members as well as volunteers to assist with specific projects. If you would like to be involved or require more information, please contact the program coordinator, Dana Valentyne at 613-396-2440 or dvalentyne@deseronto.ca. This program has been made possible by the Ontario Ministry of Agriculture, Food and Rural Affairs (OMAFRA), Hastings County and the TRENVAL Business Development Corporation.

HELPING HANDS FOOD BANK

The Deseronto Helping Hands Food Bank would like to express our sincere gratitude to the many individuals and organizations who so generously donate to this worthy cause. The Food Bank would cease to exist without the annual private and public donations we receive.

Here are just a few examples of the overwhelming generosity of Deseronto and Area individuals, organizations and businesses:

Recently the Deseronto Pentecostal Church held a food drive where over 3 three truck loads of food were collected from Deseronto and area residents. Thank you to both the Pentecostal Church for organizing this wonderful event, and the many individuals that contributed making it such a huge success!

Private donations are received from Deseronto, Tyendinaga Township, Mohawks of the Bay of Quinte and many other area individuals throughout the year.

Deseronto and area groups such as the Deseronto Lions & Lioness, Deseronto Royal Canadian Legion, Deseronto Public School, The Salvation Army, and many more contribute significantly throughout the year.

Many other countless Deseronto and area churches also donate to the Food Bank on a regular basis.

Each month, Community Care for South Hastings collects Food Bank donations at their Diners Club dinners from Deseronto and area residents.

Donations are also collected as part of community events. For example the food drive that occurs as part of the Deseronto Santa Claus Parade.

The Food Bank receives all proceeds from Nevada Ticket Sales at Sunrise

Tyendinaga Township recently held a bottle drive which rose over \$400 that was donated to the Food Bank.

Agricultural associations and groups make regular donations such as the Canadian Turkey Farmers Association's donation of turkeys to all rural food banks announced earlier this fall, and the donation of milk by area rural dairy farmers that is then processed by Reid's Dairy free of charge and distributed to area food banks including ours.

Deseronto Public School

Deseronto Public School needs help to make our breakfast program run this year.

At Deseronto Public School the Food for Learning program provides food for our breakfast program and the ability to support the students attending our school. Food for Learning provides food to over 7,500 local children each school year, in the form of a balanced breakfast, healthy snack or lunch. Schools within the Hastings and Prince Edward District School Board; the Algonquin and Lakeshore Catholic District School Board; and Conseil des Ecoles Publiques de l'Est de l'Ontario are offering school nutrition programs daily.

We are presently looking for volunteers that would like to help in our Breakfast program from 7:45 a.m. – 9:00 a.m. Ideally groups that would like to commit to a week per month would help in our planning and execution, but even once per month would make a difference to our students. Contact the principal, Bill Launderville (613-396-2448) at the school if you or your organization are willing to volunteer to ensure that our students are attending school well fed and ready to learn.

As you can see, the generosity of individuals, organizations and businesses is astounding. Although too numerous to mention them all, the Helping Hands Food Bank would like to thank and recognize every individual and organization that contributes to our efforts each year.

Alistair MacLeod, award-winning Canadian writer, says: This novella, set in Eastern Ontario, bubbles with the details of everyday life. The cycle of the season is reflected in the lives of the central characters. It is a hymn/lament for that which is passing and that which is past.

Frederick Rogue's review (<http://www.chapterandverse.ca/reviews/>) reads: The romance of MacDonald's words comes alive with meaning in reminiscences... such as how in the late June sunshine years ago, Calla gathered up calla blossoms and heart-shaped leaves and gave the bouquet and herself to Édourd... memories of their children Noah and Lys, and grief over the lost twins... of the ever-present Aunt B, who seemed representative of all grandmothers everywhere, of the Depression Era... of Édourd's regret for not sharing his grandfather's legends such as Loup Garou with their children, and of coyotes and bogeymen. Of how Noah and Lys grow up and leave home... loneliness! Of how Calla's dementia weighs heavy on Édourd as he struggles to cope with her memory lapses and his helplessness.

This is the time of year the Food Bank needs your support most. The food bank served 47 families during the second week of October. With the winter and holiday season fast approaching, the demand for our services increases significantly. Please consider the Helping Hands Food Bank and the many Deseronto and surrounding area families we serve during this season of giving. Although food donations are preferred, monetary donations are accepted as well. Donations are accepted at the Deseronto Town Hall located at 331 Main St., or by calling 613-354-7361 to arrange for pick-up or drop-off.

DESERONTO-TYENDINAGA FIXED FUR LIFE : the group that seeks to reduce cat and dog over population and suffering, by emphasizing spay/neutering and additional help.

There is always a great need for volunteers to foster cats on a short term basis, or people to permanently adopt the animals. We do not euthanize, animals are spayed/neutered, and fostered by volunteers while they recuperate until they are adopted, such as pregnant mothers or mothers with newborns until the kittens can be weaned (about 8 weeks), adopted, and eventually spayed or neutered. Accommodation is particularly important at this time of year with cold weather. If you are concerned about an animal, please consider if you can foster it while we book a spay-neuter appointment (sometimes several days), it recuperates after the operation (a few days or 1.5 weeks), and a home can be found (or even whether you may be prepared to adopt it). We have no foster options at present, but

additional vet and medicine costs). If the animal does not gel with your household, Fixed Fur Life will always take the animal back. Although a registered charitable organization with a very limited budget, people providing foster or adoptive homes with limited budgets may, with an application to Fixed Fur Life, receive assistance with additional veterinary care. The Deseronto-Tyendinaga chapter of Fixed Fur Life usually meets the third Tuesday of the month at 6:00 pm at the Deseronto Library, 358 Main Street. People can stop by to talk about an individual situation, become members, or get more information by contacting Diane at 396-3139. The headquarters for Fixed Fur Life is P.O. Box 20091, Belleville, Ontario: 966-6292; email ffl@fixedfurlife.com; website www.fixedfurlife.com with additional info about animals available for adoption, or possibilities for assistance if you have a limited income and need help with vet care.

Homes Needed For Kittens & Cats: For general information please contact Diane at 396-3139 or Edgar 396-5496, or for specific cat/kitten information contact:

- Lori & Jamie, c/o Edgar at 396-5496 – going as a pair: a young black mother (1 year, spayed) and her black kitten (6 months)
- Tamara 613-388-2252 – 2 black males (one with white tip on tail, other with two shades of black); 1 black female with bit of tortoise colour on paws and muzzle—all medium-length hair,

to be spay/neutered shortly

- Diane 396-3139 – 2 recently weaned tabbies – one medium brown mixed with a bit of orange and big white patches, the other gray with white highlights; one 4-month orange-brown tabby
- Edgar 396-5496 – 2 very affectionate old cats (so less training and great love of sitting with you): Gertrude is a petite, declawed, short-haired female with a brown-black base and orange spots – she cries when she is lonely/without people; Sylvester is a tall male, short-haired, and black with white markings on his muzzle and lower portions (looks a bit like Sylvester cat in the Bugs Bunny cartoons) – he is very quiet and does not seem to jump.

Upcoming Events: • Fur Ball, Saturday, 5:00 p.m. – midnight 21 November 2009, a chance to get dressed up, meet other animal lovers, dance and have a fabulous dinner (with complimentary wine in addition to the cash bar, and hors d'oeuvres), plus silent auction and door prizes: tickets \$60.00/person (\$30.00 tax receipt), Greek Hall, 70 Harder Dr., Belleville—come yourself or give an early Christmas present

- 50/50 draw, closing 1:30 p.m., 12 December 2009, tickets \$2.00

- Silent Auction, closing 1:30 p.m., 12 December 2009, Deseronto Public Library
