

RESCLARAE

# Resclarae

*Volume 4  
Centennial Secondary  
Belleville, Ontario*

*Editor: Helen Ackerman*

OUR MR. VAUGHAN

Has spent forty years as a teacher of which the last four were at CENTENNIAL. He taught at O. S. D. from 1931 to 1963 and then at B. C. I. from 1963 to 1966.

He worked several years with a furniture and building firm.

Mr. Vaughan was a carpenter foreman at Simpson's Sears for six years.

He also attended Ontario Technical College.

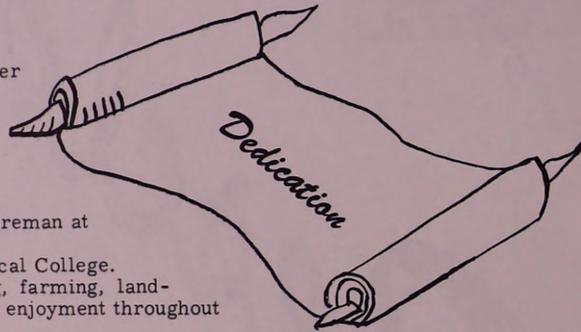

His hobbies of which are boating, farming, landscaping, and housing have given him enjoyment throughout his life.

He taught night school for numerous years.

Before he began his teaching career he apprenticed as a cabinet maker.

We dedicated our yearbook this year to Mr. Vaughan due to his dedication to the cause of drama-Birdie would have never got off the ground except for Mr. Vaughan's handy work in the creation of props, Sneaky Fitch would have never had a life let alone a death without the same craftsman's hand. Centennial abounds with the results of Mr. Vaughan's woodworking wizardry.

We are sorry to see him go, but wish him all the best in his retirement.

Lorraine Prindle

Editor's Message

This year as editor I would like to congratulate the student body on its accomplishments.

CENTENNIAL is now receiving recognition by other schools in this area due to our excellent athletes, dramatists, field trips, and excellent teachers.

Our active yearbook club consisting of Janice Edwards, Barb Bruce, Brenda Henderson, Roger West, Mrs. Carty, and myself tried to condense the school year into a memorable edition of the RESCLARAE.

We tried to capture every aspect of school life by photography hoping it will revive many memories of those present this year.

We wish the graduates success in any career they choose.

Special thanks to Mrs. Carty for her never ending time, patience, and encouragement, and to Barb Bruce (my journalist) for all her help, and to Janice Edwards and Roger West for spending their time taking pictures.

Thanks to everybody who contributed to the 1969-1970 edition of the RESCLARAE.

Your Editor,

Helen?  
Is That  
You?

A Message from the Captain of the  
H. M. C. S. Centennial:

1970, the beginning of a new decade, has a multitude of meanings to each of us. To some it is a time to review the errors of the sixties and to greet the seventies with a new resolve to establish a better life. To others it is a time to recall those pleasant times, those moments of elation over successes and those friendships you have formed.

This book may help you to recall the last year in the same way that older people may recall the last decade. I hope that it will be one of the treasured focal points of your memories and that it will also serve as a stimulus to a new and successful future.

I know you will join me in expressing our appreciation to those students who have worked so hard to produce this excellent book.

W. J. Musgrove  
Principal  
1969-1970.

Some members of the crew!

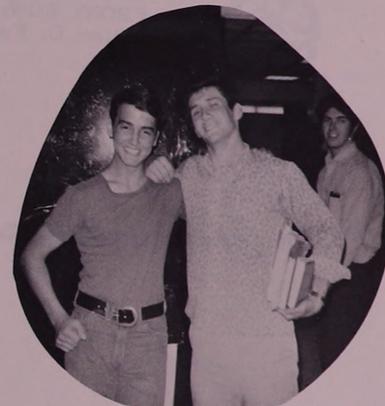

## V.P.'s Message

Congratulations to the graduates who have completed their secondary school programmes.

Best wishes to those students who will continue to further their education at Centennial.

And sincere thanks to the Yearbook staff who have worked faithfully to produce this excellent book.

G. E. Boyce  
Vice-Principal

My first year at Centennial Secondary School has been both interesting and enjoyable. I have been impressed particularly by the good spirit that prevails and the friendly atmosphere. That I have found here.

No matter how well or how poorly you may have succeeded this year, you will be richer in friendships and experience. Treat both well and you will find life a happy experience.

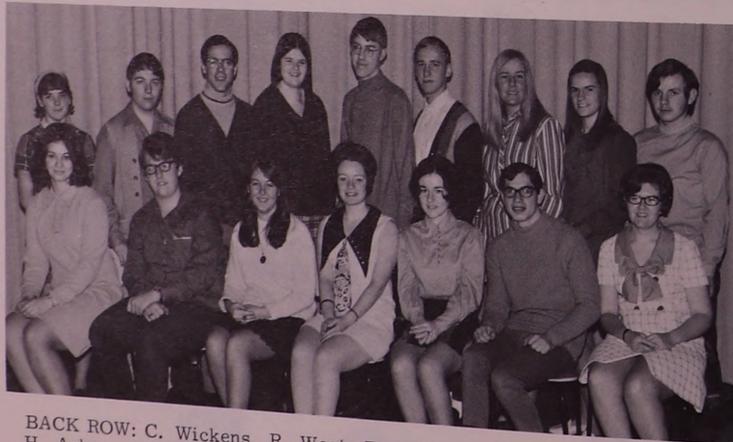

C. M. Irwin  
Vice-Principal

*Hall  
of  
Fame*

Ladieees and gentlemen!! Step right up to Centennial's Hall of Honour.  
What's a Hall of Honour you ask?  
My dear man, where have you been?  
This is Centennial Secondary School, this is Centennial's Hall of Honour.  
Why? Because Centennial deserves a big pat on the back!  
This year many of Centennial's students' and staff members reached great heights in all facets of high school life.  
Sure these "super stars" have been showered with goodies, honoured with laurels, but we, the staff of the Yearbook, feel that these "heroes" merit more--recognition by fellow students.  
Admission is free folks!  
Sit back and remember 1969-1970.  
Sit back and RELIVE 1969-1970!

Let your fingers do the walking through

CENTENNIAL'S  
HALL OF HONOUR.

## ATHLETICS

Two of our school teams took Bay of Quinte Trophies. These teams were Midget Boys' Basketball and Senior Boys' Cross-Country. The Cross-Country Team went cross country (by bus) to compete in the C. O. S. S. A. competition.

## ATHLETES

Here at our school we have many great athletes some of whom are:

Robert Stitt spent the whole year being put down by others, but while at C. O. S. S. A. put down a few people himself to place first in Wrestling competition. (Three chinese cheers for the ol' chicken wing!)

Pat Baird exercised all year to somersault into Bay of Quinte Championships for floor exercises.

Ron Richardson has always been afraid that his brother would some day catch up to him, so this year in the Bill Vermilyea road race Ron decided to come where not even his brother could beat him... he came first!!

Roy Vasey sprang to new heights, onward and up, up, upward to the Bay of Quinte and C. O. S. S. A.

Frank Johnson, with the help of his winged feet flew into the position of all round boy athlete. Roelie Oosting hurtled (or is it HURDLED?) on to a new record in the Bay of Quinte competition in Track and Field.

Becky Fell's feats were so at-"TRACK"-tive and "Juan"derful that she was crowned all round girl athlete.

Bob Henderson ran all the way to C. O. S. S. A.

## MISCELLANEOUS

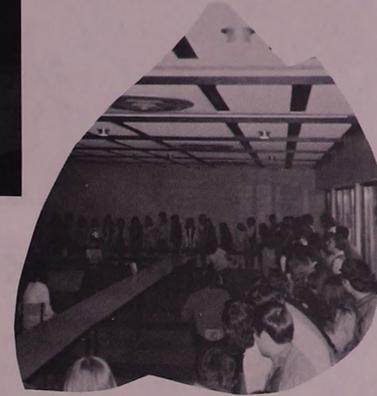

After having a chit chat Lana LaChappelle, Sandra LaChappelle and Douglas Faulkner entered the Public Speaking Contest. Lana and Doug talked themselves into winning the Hastings Country Championships. Just goes to prove that constant talkers aren't always losers.

Centennial's Driving Aces, even the female ones helped to capture the trophy for Centennial. Richard Howes has always wanted to be on Television but due to lack of support he decided to make his own and by so doing won the Belleville Rotary Science Fair and placed fourth in the All Canadian!

Songsters Connie Vardy and Linda Walker placed 3rd and 1st respectively. Rumour has it that Tiny Tim is afraid to show up around Belleville since we have such beautiful singers in our school!

ODE FROM 9J

Volleyball, basketball, soccer, we're in them all,  
And don't forget wrestling, pushball, we're on the ball.  
Class spirit's our thing,  
And spirit we'll bring,  
We all participate no matter what, no matter the fears,  
And we hope you'll join us in the following years!
