

Address: 14 Mt. Pleasant

Lot No.

Present Owners: Dr. Douglas

Construction: Two storey brick

Date built:

Builder and/or First Owner: On the site of Capt. Meyers home

Interview: Mrs. Douglas: The house has been changed greatly, all the windows have been replaced and made larger. A porch has been removed. The front door used to face Gt. St. James St, has been closed off. Some of the basement is original but that is the only original part of the old house.

Jeffery's, Hunts, Campbells and Poulin's lived there. Mr. Poulin (Greek gentleman) had a swimming pool put in with it backing on St. St. James, when it was filled with water, it leaked and water ran down Gt. S t. James making a milkman's horse bolt. There have heard a ghost three times in the 15 years they have lived in the house. It is a moaning sound.
