Interviews: Mrs. Argue & Mrs. Cooper

Mrs. Argue believes that the house was built for or by a Mr. Flower. The Blackburns (of Stroud's) lived there probably after the Flowers and then the Findley's (related to the Findley stove people). The Aruge's bought the house in 1929 and the second generation are living there at present. A sunportch was added when the Aruge Sr. livled there.

Mrs. Cooper believes Albert Smith built this house.
